

## Security Destruction Confidential Shredding Service

### OUR SERVICE -

Green Team Paper can supply lockable mobile security bins, capable of holding up to 60 - 70kgs of your confidential papers and documents - sensitive, confidential information that MUST BE shredded. We also have a Confidential Shredding service for all your computer software, discs, tapes, DVD's & plastics.

### FREQUENCY -

Either at call or on a regular frequency, Green Team paper will collect your filled security bin and replace it with an empty one. Your security bin is then transported by a secure vehicle to our premises at Pooraka for shredding. Most importantly ALL SHREDDED PAPER IS RECYCLED BACK INTO TISSUE PRODUCTS & CARDBOARD.

### OUR "ONE-OFF" CLEANOUT SERVICE -

Green Team also provide a service for that "One-Off" office or home Clean-Out. You have up to 2 weeks to fill the security bin before we collect it and arrange shredding of your confidential paper at our depot at Pooraka.

### CONFIDENTIAL DESTRUCTION -

A written Certification of Destruction is issued to you at the time of collection. The entire content of your security bin is shredded with the upmost of confidentiality. As mentioned above, all shredded paper is recycled.

### SECURITY -

All Green Team staff have been vetted for security purposes, wear a corporate uniform and display photo identification. At Green Team we understand the importance for safe, reliable, discreet handling of your confidential documents from the time of collection at your office to the destruction, shredding and recycling at
